### DESCRIPTION OF DUTIES/ ESSENTIAL FUNCTIONS

Serves as project liaison and technical management support to various departmental personnel; and supervises, coordinates and schedules the personnel resources to accomplish tasks. Serve as team member in the implementation of new city-wide ERP system. With minimal supervision, perform analysis of procurement and accounting functions and reports. Serve as lead in migrating accounting and procurement related Access and FoxPro database applications into Web-based applications, eliminating where ERP solution provides possibility and integrating others into ERP solution. May assist with LAN administration functions and may install, troubleshoot, and maintain computer hardware/software for the accounting related functions. Act as liaison between Finance and Technical Services Divisions and departmental IT and between Aviation Department and other city departments on financial accounting system matters. Oversee maintenance of updated procedural documentation on all departmental financial systems. Special projects as assigned, including backing up other division personnel as needed.

### WORKING CONDITIONS

Performing these duties will involve: the ability to lift, pull or push physical objects; walk, stand or sit for extended periods; use computer terminals for extended periods; visually observe and differentiate details and colors; operate city vehicles; be able to lift up to twenty (20) pounds; attend to details amid distractions; analyze abstract information; adjust to interruptions and changes; and deal with people in tense situations. Must be willing and available to work all shifts, including rotations, weekends and holidays. Must be willing to work significant overtime if required during ERP implementation. Must be able to obtain and maintain security clearances.

### MINIMUM EDUCATIONAL REQUIREMENTS

Bachelor's degree in Accounting, Business Administration, Management Information Systems or a closely related field.

### MINIMUM EXPERIENCE REQUIREMENTS

Seven (7) years of accounting experience, at least three (3) of which must be related to supervising the development of financial systems, are required.

### MINIMUM LICENSE REQUIREMENTS

Valid Class C Texas driver's license and compliance with city's policy on driving (AP 2-2).

### PREFERENCES

Strong knowledge of governmental accounting and procurement processes preferred. Strong knowledge of computer applications and financial accounting systems in a LAN environment. Proficient in use of MS Office products. Demonstrated ability to migrate older applications into web-based applications (ie XML, ASP, FrontPage, ) preferred. Experience working with SAP, Oracle, SQL server preferred.
